

Jason Tyler Burton:
Genre: Contemporary Folk

Jason Tyler Burton is a singer-songwriter who grew up in Kentucky, but recently relocated to southern Utah. He has spent the better part of the last six years traveling and working seasonal jobs in Utah, California, Colorado, and settling for a while in Wyoming. His songwriting has been greatly influenced by this unsettled lifestyle. He weaves stories that cover a surprisingly wide territory, often reflecting his travels and experiences. Burton's simple melodies, warm voice, honest storytelling, and lyrical depth invite you to lean in a little, and really listen.
